Pam!

For another year we survived thru Nuyharts study hall - aint we glad?? It's been fun trying to help you with Algebra - Note, I said 'trying'!!! Of course we can't forget our delight for Mr. Shaw - Fun & games, wasn't it?? I believe his opinion you for every thing, esp. short shorts and those PAPER DANCERS!!! Will we survive next year?? You bet, for you'll got 2 years left, and I only one, such a short time for complete freedom from people like Nuyhart & Shaw - YAHOO!!!

P.S. Have fun in N.Y.C.!!

Pam,

Well, here's another year gone. I'm glad it's over, but too bad it's my last year in Monte. Wasn't Glee Club fun? Trying to learn those dumb songs. Remember me trying to teach you manners during lunch? Was that ever funny. Remember that time we dissected a pig at your store? I don't know if we learned very much. Have fun this summer + good luck.

Love,
Pat

P.S. Write to me

Pam,

I'm going to give you some advice - remember to practice singing this summer!! It hardly seems possible I'll be a senior next year! but I have 2 years left to be with my friends. - Best of luck to you in everything. God Bless you.
Father!

I believe that we are lost here in America, but I believe we shall be found

I think that the true discovery of America is before us. I think the true fulfillment of our spirit, of our people, of our mighty and immortal land, is yet to come.

IN APPRECIATION OF MISS FADER

Whose dedication and hard work has made the library the center of our school's educational activities. She unselfishly gave of her time and effort during the summer months to insure that the new library would be ready for use on the opening day in the new school.

Miss Fader encourages students and classes to make full use of the library's new facilities. Her selection of books and materials to cover the interests of all, and the attractiveness of the room are the best invitations she can offer the student body.

STANDING: Mr. Norland, Dr. Hagberg, Mr. Just, Mr. Harding. **SEATED:** Mr. Thompson, Mr. Lillemoe, Mrs. Nerison

The Montevideo School Board is an agent of the State whose duty is to carry out the will of the people. It is responsible for the care, management, and control of the entire educational program.

The board consists of six elected members, who serve terms of three years each, and the superintendent. The members are O. C. Lillemoe, chairman; Reed Just, vice chairman; Emery Harding, treasurer; Virgil Thompson, clerk; Dr. Norman Hagberg and Mrs. Margaret Nerison, directors; and Ralph Norland, superintendent.

The board holds its meetings on the second Tuesday of every month. A general meeting deals with such business as current bills plus an agenda presented by the superintendent. All meetings are open to the public. If desired, an audience with the board may be had by making application to the chairman or superintendent at least twelve hours before the meeting.

Pamie,
Your bright questions & antics have been the only high point of Algebra. But
you may learn, & one of those years also in Nexhants study hall you always working
hard. But kidding aside, Best of luck next year & etc. But I'm honored to write
in such a good yearbook as this one. That's debateable. But needless to
say.

SENIOR HIGH STUDENT COUNCIL

ROW 1: Arneson, Kranz, Larson, Larson, Bonn, Holten. **ROW 2:** Hanson, Wellman, Anderson, Lofthus, Thomson, Toftness, Alonso, Kratz. **ROW 3:** Olsen, Roberts, Peterson, Smith, Enevoldsen, Smith.

Under the direction of Mr. Dzuik, the Student Council has important duties to perform. During the football season they plan the Homecoming activities, and some of the members have charge of the concession stand. As soon as spring rolls around, the Presidential Election and Spring Prom have to be planned.

This year the Council voted to adopt a child from a family in need. Another project was getting speakers to come and talk to the Student Body. After many years of discussion the Council gave the dress code to the administration. They decided that the time that was spent talking over the dress code could be put to better services.

The Student Council is the student government of the school. Each class and organization is represented. The Council meets every Friday to discuss and take action where it is necessary.

The Senior High Library Club, under the supervision of Miss Fader, is one of our schools most useful and active clubs. The members are responsible for maintaining the efficiency of the Library's many functions. Any girl or boy in the Senior High who is interested in promoting to the library's efficiency and has maintained a satisfactory scholastic average is eligible for membership. This years club consists of forty girls, each of which spends at least two hours per week assisting Miss Fader.

This year the club is lead by Jennifer Smith, President; Barb Mace, Vice President; Liz Nelson, Secretary; Jeanne Milbeck, Student Council Representative. The club meets the first Tuesday of each month. Some of the money making projects for this year included selling Kiwanis Travelog Tickets, a Thanksgiving Bake Sale, a Chile Supper, and a Book Fair. The club uses the money they make for many worthwhile causes such as their annual spring trip to Minneapolis, scholarships, a donation to the American Feild Service Fund, and the Senior books.

MISS FADER

AFS CLUB

The American Field Service Club is now in its third year of organization. Its goal is to help finance an AFS student to Montevideo. To achieve that goal this year the club held a Slave Sale, a Tag Day, and sponsored a Sadie Hawkins Dance with an Uglyman Contest. Besides raising money, the purpose of the AFS Club is to welcome the exchange student to the community, and to help her get acquainted with the people. This year's officers are: President Mary Prindle; Vice-President Debby Smith; Secretary JoAnn Fiene; Student Council Representative Julie Larson. The advisor is Miss Ahlgren.

Pam!
 Hi! I was hoping you'd ask me to write in here. Well - another year is almost over - I think it's kind of sad. We sure had fun in Algebra huh? Remember the day we walked out because of weak kidneys? Terrible! Are you very good at dissecting fetal pigs? Well - I don't know if I dare write in here or not. (Mr. Fitchy) Can't think of how I was going to finish this. Oh - SEASON'S GREETINGS TO MR. L. F.T.A. is an organization of students who wish to learn about teaching by actual participation. Most members do special tutoring or help teachers with a class during their free hours. Besides helping these members decide if teaching is a suitable profession for them, F.T.A. is a good lesson in human relations.

The officers of this club are: Jeanne Milbeck, President; Becky Wolfred, Vice-president; Mary Kratz, Student Council Member; Janice Sachariason, Secretary; and Bonna Olson, Treasurer.

DELTA PI QUADRANTS

The Delta Pi Quadrants, otherwise known as the Math Club, is made up of juniors and seniors who have successfully completed at least one mathematics course on the Senior High School level. The club, whose officers are David Bonn, President and Student Council Representative; Mark Moxness, Vice-President; and Lennice Nordaune, Treasurer, meets every other Monday night with the advisor, Mr. TeBeest. The program this year has been a study of number theory. During the third quarter, every Monday night is reserved for review for the Society of Actuary Test, sponsored by the Mathematics Association of America, which is administered every year to forty mathematics students during March. This club provides an interesting diversion on Monday nights and is definitely of great value to anyone who wishes to further their knowledge of mathematics.

MOHISCAN STAFF

Editors: Clawson, Larson, Cross.

Each year the Mohiscan staff manages to put together a yearbook. This year the staff was no exception. Each member of the staff contributed in his or her own way. Early in the year, Greg Poppe and Terri Hanson, the business managers, organized the business staff to solicit funds from business places in town and to take subscriptions to the yearbook. Meanwhile, typists and featurists were busy with assignments given to them by the editors — Gay Clauson, Julie Larson, and Debbie Cross. Before each deadline, the editors prepared layouts for each page which were double-checked by Miss Olson, the advisor of the staff. It was not uncommon to see Jeff Mills running around trying to get last minute pictures. He was often left with only a few short hours to develop them. This yearbook has been made possible by the dedication of the Mohiscan staff.

MONTEVIDEAN STAFF

Editors: Adams, Miller, Cross, Larson.

Each month the Journalism Staff publishes an issue of the Montevidean. The four Editors: Debbie Cross, Mary Adams, Charlean Miller, and Steve Larson meet together and make up assignments for each of the 21 reporters. The reporters have about ten days to run around pestering, tormenting, and probing, to get their assignments written and typed. They then turn in their assignments to one of the four co-editors who are responsible for proofreading and correcting any errors they find. The Editors are then given the assignments to prepare the layouts for printing. It usually takes the Editors four to five hours to get the paper layed out, so it's usually about midnight before everything is completed. Then the paper is given to Mr. Jordahl, the Journalism Advisor, who read it thoroughly before it is taken to the Reminder Office for printing. After the paper has been printed, each student in the Senior High is given a paper. Papers are also distributed around town to all the businesses who subscribed and also to schools in the surrounding area. The Business Manager is responsible for these distributions.

Resolved: Congress should pass uniform standards to control criminal investigation procedures.

This is the resolution that Mrac Waterman and Dave Peterson affirmative, and Lynn Matsler and Brad Roberts on the negative, have debated this year. The two main facets of debate concern research, and the effective presentation of that research.

The affirmative team's purpose in debate is to support the resolution. This is done by showing that harms do exist in our present system. After the harms have been shown, the affirmative presents a plan, based on the resolution, to alleviate the harms.

The negative has the job of defending the present system, or "status quo" as it is called. They must prove that the alternative proposed by the affirmative is not desirable.

This basis for argumentation and use of logical thinking makes debate worthy of the student body's consideration.

ONE ACT PLAY

The One Act Play for 1967-68 was "The Boor" by Anton Tchek-off. It is the story of an arrogant landlord, Grigori Stephanovitch Smirnov, who comes to the home of a grieving widow, Helena Ivanovna Popov, and when he demands payment of two old debts, angers her and terrifies her servant, Luka. The play ends with Smirnov falling in love with Mrs. Popov, much to the surprise of Luka.

Marching Band

Homecoming for the class of 1968 was one that will long be remembered. It contained a number of ideas that had never been tried before and all agreed afterward, ideas that were quite worthwhile. The Queen candidates were Jeanne Milbeck, JoAnn Fiene, Debbie Smith, Linda Saue, and Marcia Adams. The junior class princesses were Nance Philliph, Nancy Toftness, and Marsha Dahl. The princesses from the Sophomore class were Kathy Amborn and Joan Mace. As in years past, the voting for the queen was done on a Wednesday and the coronation was held on a Thursday, but this year had something extra.

Preceding the coronation was a program featuring the Singing Strings, the Shauntays, and Terri Hanson, accompanied by Barb Norland. Before the program began, master of ceremonies, Brad Roberts, called Jennifer Smith, Dewitt Smith, and Julie Larson to the stage to receive the applause they deserved for their work as committee heads.

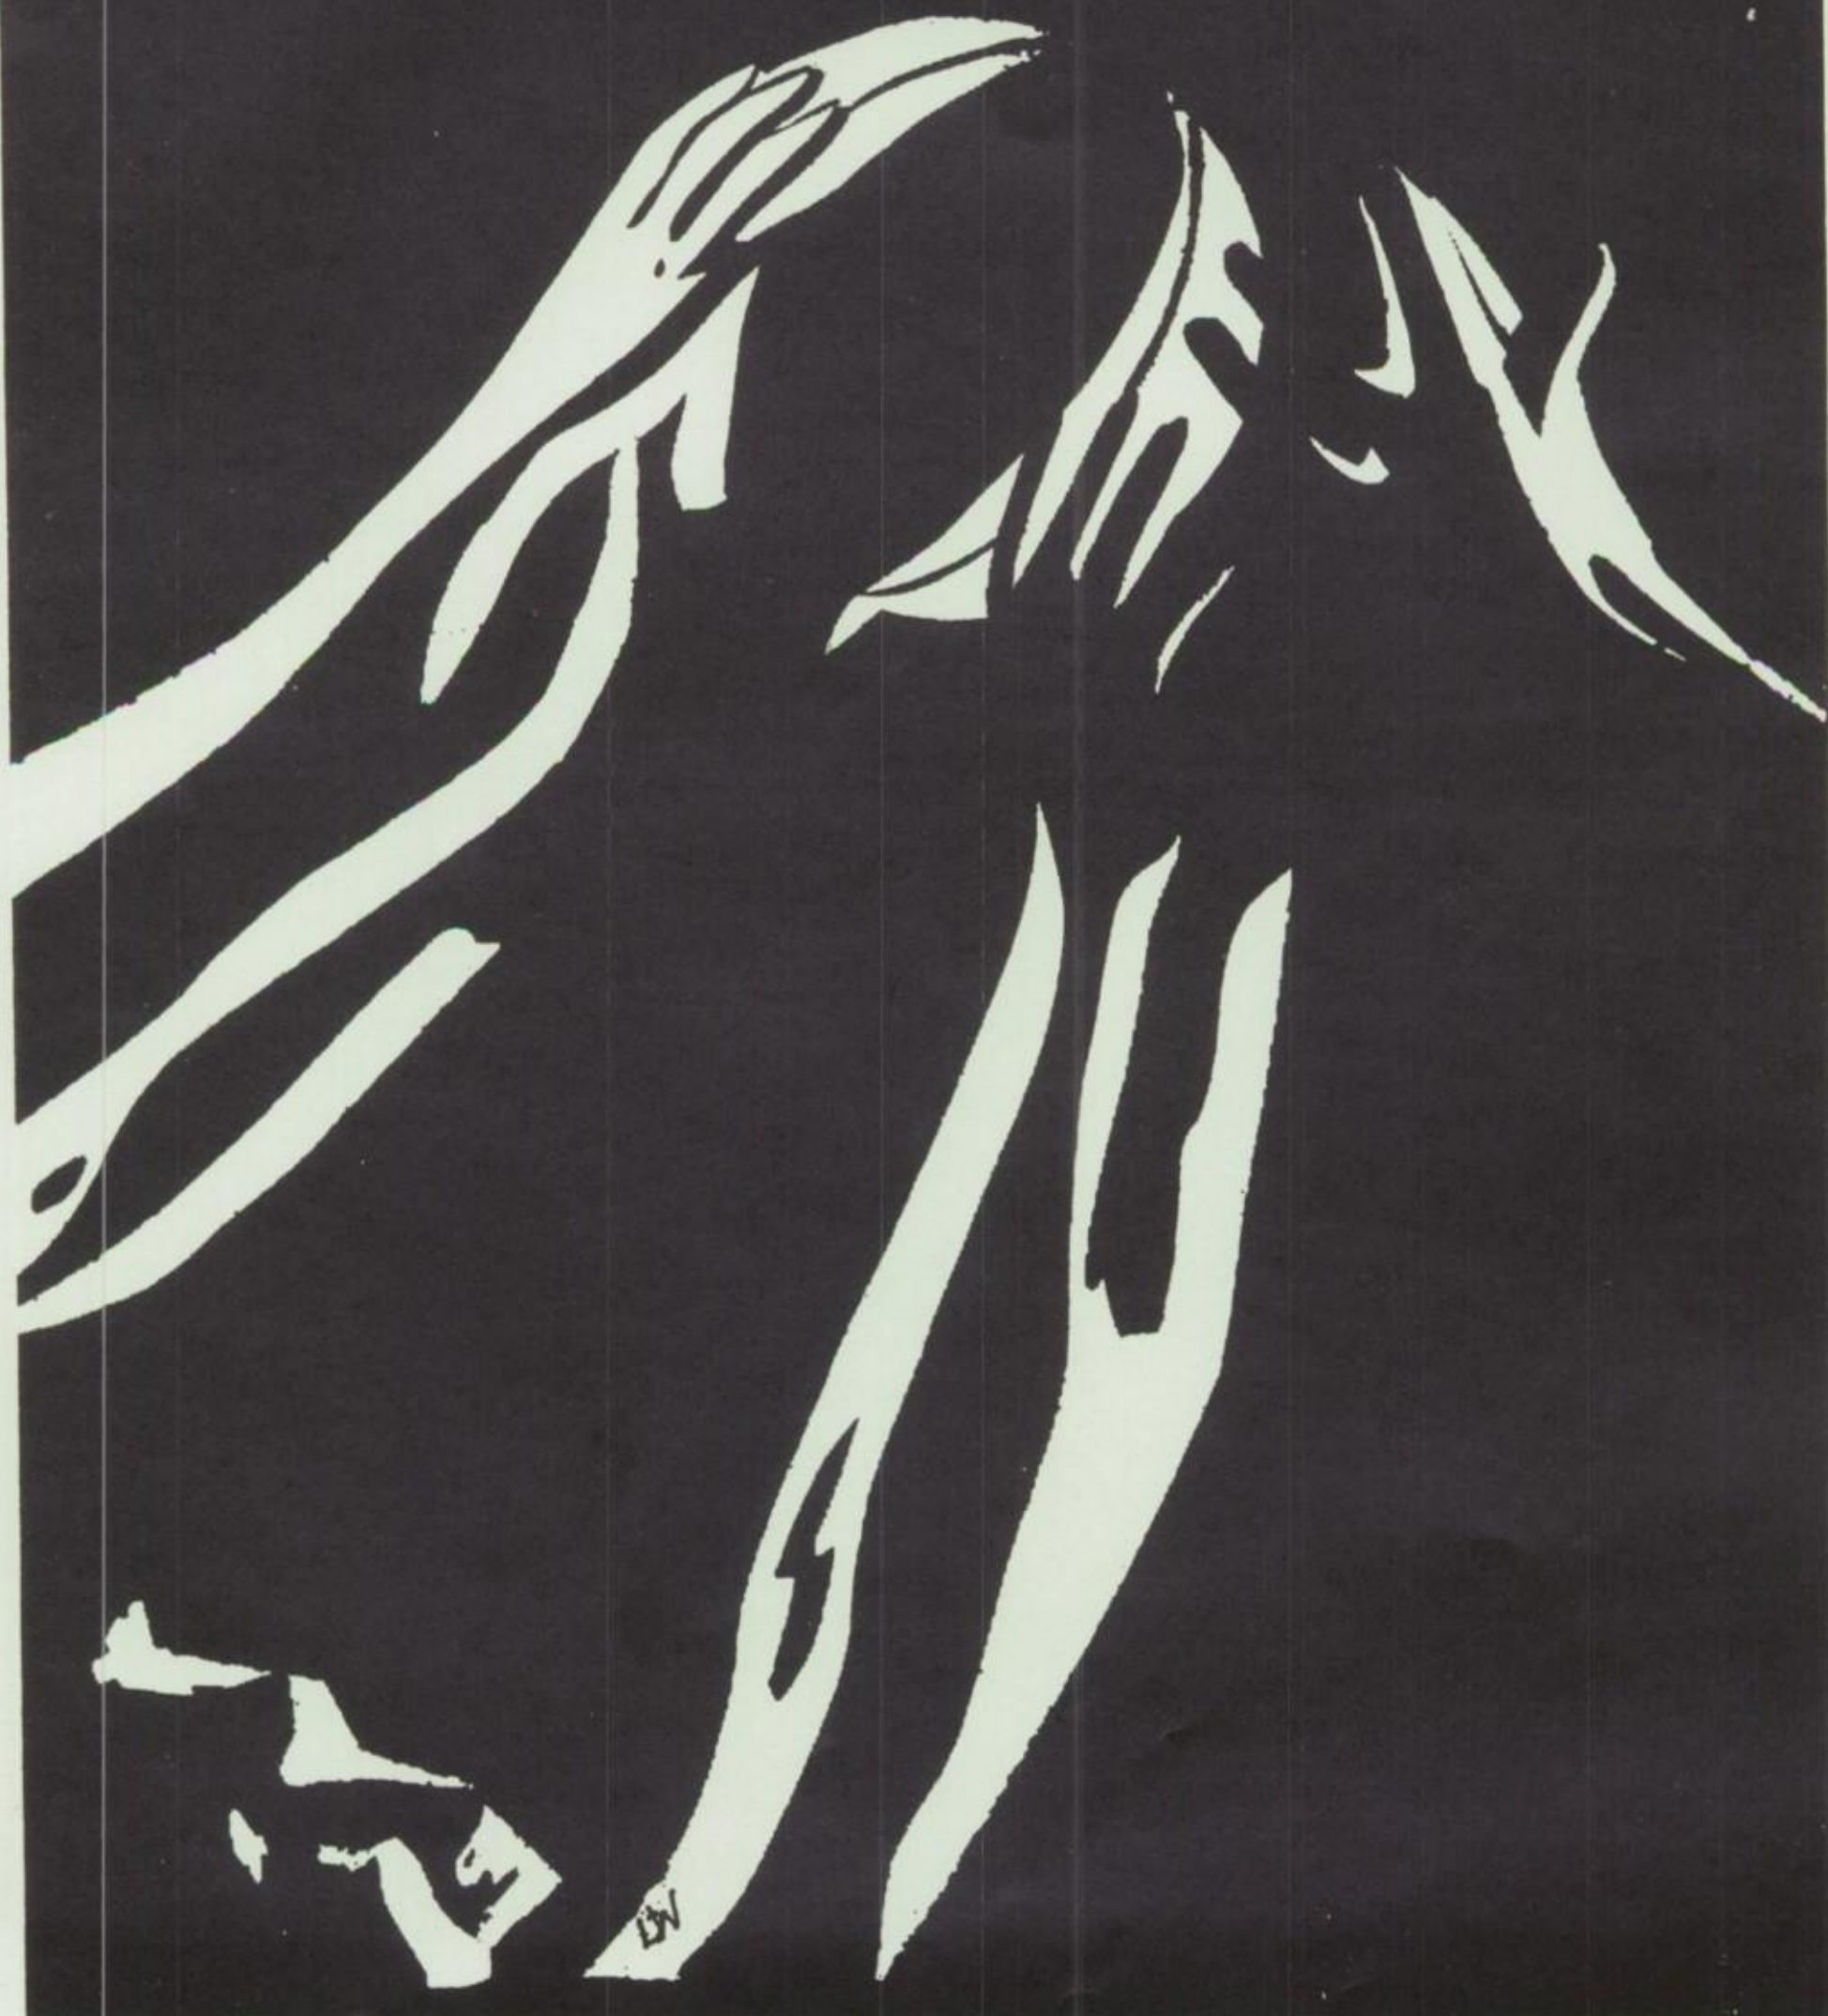

The coronation itself began beautifully with the princesses and their escorts slowly dancing to "More," played by the Singing Strings. The stunning decorations were the work of Judy Anderson, Linda Warnke, and Susan Wallace.

Marcia Adams was crowned by the retiring Queen, Jeanne Skogrand, and JoAnn Fiene was named first princess. The proceedings then moved downtown for the parade and pep rally, at which the Queen was presented with a football autographed by the team that was to destroy the Granitz Falls Kilowatts the next night. The Homecoming Dance was held at the Video for the first time and the building was filled by the Montevideo royalty, the students who cheered the Mohawks on, and the alumni who "came home." All enjoyed the music of the Marvelous Mauauders until 12:00 when Homecoming 1967 became just a pleasant memory.

The M Club meets every first and third Friday of each month with the purpose of promoting better athletics in Montevideo, developing sportsmanship among the athletes, student body, and community, encourage proper training conditioning and application of all boys, and to bring closer relationship between athletes themselves and coaching staff.

The M Club officers are: Greg Manthei, President; Cary Bergo, Vice president; Jim Kranz, Student Council Representative; Dewitt Smith, Parliamentarian.

MISS MARKS

The Girl's Athletic Association is an organization for girls who are interested in participating in sports. At the beginning of the year a schedule is set up for the year. This year it was decided that field hockey would be played in the fall, volley ball in the early winter and basketball after Christmas.

The GAA meets Monday evenings when ever it is possible. The GAA and Pep Club went together on the Homecoming float. The float won second place.

These girls not only get the exercise from participating, but also a sense of satisfaction and accomplishment.

PEP CLUB

The Pep Club is formed in order to support our athletic teams in victory or defeat by making signs for games and performing skits during pep fests. Other activities throughout the year have been building a Homecoming Float and sponsoring an aftergame dance. Penny Hanson is President; Paulette Woken is Vice-President; Wendy Bergo is Secretary; Chris Smith is Treasurer; and Joan Wellman is Student Council Representative. Their advisor is Miss Marks.

B SQUAD CHEERLEADERS

MISS MARKS

Johnson, Thompton, Grages,
Saienga.

The cheerleaders under the coaching of Miss Marks, have been very busy this year. Last summer the A squad cheerleaders went to a summer cheerleading camp of the campus of Gustavus Adolphus College for five days. At the camp they were taught pom pon routines, tumbling stunts and new cheers. Last fall they attended a clinic at Granite Falls and came back with some new ideas.

This year for the first time we have wrestling cheerleaders. They cheer only at the wrestling matches and at the pep fests. The wrestling cheerleaders, along with the B squad cheerleaders, attended a clinic in Minneapolis.

NOT THE SUNSET, BUT THE DAWN.

We would like to thank everyone who has contributed, not only money, but also their time and patience. A special thanks goes out to Jeff Mills, our photographer, who put in many late hours to help us meet our deadlines.
